

SHARING PASSION & PERFORMANCE

Buy an MM8 Synthesizer Get a \$200 Rebate!

The MM8 music synthesizer has a wide variety of dynamic, realistic and just plain powerful Voices to help you create amazing music. The MM8 also gives you total control over your sound, with real-time tweakable knobs and features special Patterns that provide full backing - drums, bass and chords - for your live performance and song creation.

- Over 500 high-quality instrument Voices derived from the original MOTIF
- Dynamic music creation tools—including automatic Pattern and Arpeggio generators
- Versatile song recording features —with eight normal tracks and one Pattern track
- Four real-time control knobs
- Performance Memory for instant full-panel setting changes
- Convenient, easy-to-use data storage solutions

VALID APRIL 1, 2017 - JUNE 30, 2017

Claims must be submitted by July 15, 2017. Rebate will be in the form of a VISA gift card.
